

BALLOT FOR PREPARED AND LIMITED PREPARATION PUBLIC SPEAKING EVENTS

Contestant Name and Code 2B Jane Smith *Student + Code... so we know whose ballot this is*

Topic of presentation Repeal of ACA

Time: 7:02 *Please take care to record students' speaking times accurately!*

Event (circle one) *Identify the event* → Extemporaneous Speaking (Domestic) Extemporaneous Speaking (Foreign)
 Extemporaneous Commentary Expository Speaking
 Original Oratory *Rank students 1st, 2nd, etc.* Other _____

Round 1 Rank 1 *No ties* (1st - 6th, no ties)

Section/Rm 212 Rate 95 (70-100)

➤ Rank students 1st through 6th in the round. There should be no ties in rankings. Also provide a rating from 70-100 points. Although ties are not permitted in ranks, they may be given in ratings. Scores in the lowest range should be used in the most extreme of cases. Scores below 70 may not be given. Consider the following scale in assigning ratings or speaker points: *Students can tie on points, but not ranks. However, a lower ranked student cannot get a better "grade."*

Superior - 95-100 Excellent - 90-95 Good - 80-90 Fair - 75-80 Unprepared - 70-75

➤ Judges should review the rules for the event and should consider the following elements in making a decision on the ranks and ratings in the round:

- choice of topic or question
- use of visual aids (if appropriate or permitted)
- use and citation of supporting material
- effective use of notes or manuscript (if allowed)
- soundness of reasoning and logic
- quality of organization including appropriate structure in the introduction, body, conclusion
- appropriate patterns of eye contact
- appropriate posture and movement
- use of facial expressions
- appropriate use of vocal inflection, volume, rate
- pronunciation/enunciation
- analysis and understanding of topic or question
- development of ideas
- conviction of thought and contents
- overall effectiveness
- within time limit (check rules for time limits)

Comments on areas of excellence as well as elements to improve:

- Your attention getter certainly got my attention... and related to the topic
- Very natural speaking voice - Excellent!
- Fantastic use of sources to support your answer to the question
- There are 4 other people in the room. You should make eye contact with them, too.
- Organized well, although you had to rush through the end of your 3rd point
- Nice job connecting the conclusion back to the intro *Tips to improve.*

➤ Judges should review the rules for the event and should consider the following elements in making a decision on the ranks and ratings in the round:

- | | |
|---|--|
| <ul style="list-style-type: none"> • choice of topic or question • use of visual aids (if appropriate or permitted) • use and citation of supporting material • effective use of notes or manuscript (if allowed) • soundness of reasoning and logic • quality of organization including appropriate structure in the introduction, body, conclusion • appropriate patterns of eye contact • appropriate posture and movement | <ul style="list-style-type: none"> • use of facial expressions • appropriate use of vocal inflection, volume, rate • pronunciation/enunciation • analysis and understanding of topic or question • development of ideas • conviction of thought and contents • overall effectiveness • within time limit (check rules for time limits) |
|---|--|

Comments on areas of excellence as well as elements to improve:

- Thanks for making me laugh in the intro... and making a point at the same time

- Nice balance between sources and analysis

- Your organization helped me understand the material

- While you give a great speech on the topic (Education), you don't really focus your speech on answering the specific question you were given. This was the difference between 1st + 2nd
